Post-International Trip Report
Due upon return from CVM-funded International Travel

In order to better assess the present and future value of your recent international experience, please complete the following survey. Some of your comments may be shared with future veterinary student travelers to assist in their selection of international experiences. We welcome any photographs you would like to share from your travels. Completed surveys can be given to Melissa Montgomery when turning in travel receipts or sent by email (mmontgomery@foundation.msstate.edu).

1. Please comment on or list what you **enjoyed** about your experience.

2. Please comment on or list what you **did not enjoy** about your experience.

3. Comment on the effectiveness of the travel **process** (ie. organization of trip if with company, VISA acquisition if needed, immersion in culture, other).

4. Provide any **information/tips** for future students interested in similar trips.

5. Did the trip meet your expectations? Comment.

6. How do you intend to proceed with your communication plans, as described in your application for travel funding?

7. Provide an overall rating of experience in terms of benefit to veterinary education using a 1-10 scale where a rating of 1 = poor; 5 = average, gained knowledge but not a unique experience; 10 = excellent – completely met expectations. Briefly justify rating as needed.

8. Would you recommend this trip to others? Comment
