Position Available (Title, Dates, and Job Description):	<p>Tyler, Palestine and Athens, Texas - Seeking a highly motivated, client-oriented Associate Veterinarian for 3 small animal practices with potential and expectation for growth. Our clinics are less than 2 hours from Dallas and currently run between four Veterinarians. We have experienced exponential growth over the last 12 months necessitating our need for additional veterinarians. Our vision for the clinics is to continue to grow with a desire for all of our clinics to continue to develop and maintain cutting edge technology and progressive medicine practices while also maintaining communication between all clinics and developing a referral practice with specialty services for all of east Texas. Our mission is to provide excellent patient care and outstanding customer service. Our facilities have up-to-date technology including digital radiography, CBC and Chemistry machines, ultrasound, laser, and we are always looking to expand services. Currently we perform many surgical procedures from routine spays and neuters to TPLO procedures. Excellent compensation with a salary starting at \$100,000 with potential to be more based on interview and experience. Medical and malpractice insurance, DEA and state license fees paid, TVMA, AVMA membership fees paid and CE allowance.</p> <p>Position open immediately.
