Position Available (Title, Dates, and Job Description):	<p>Are you looking to become part of a close-knit, full service practice in the beautiful Texas hill country? Apply to join this mixed animal practice (80% small animal; 20% equine, small ruminant, bovine, porcine) that has enduring community support along with two full-time veterinarians and a dedicated staff. Strong communication/interpersonal skills a must along with a degree of self-sufficiency and a willingness to work, teach and learn with gained experience. Our modern facility boasts four exam rooms, a fully-equipped surgical suite, three stations within a large treatment area, digital radiography (in-house and portable), in-house blood analyzer, high speed dental machine, tonometry and ultrasound. Our established practice in Bertram has the convenience of small and large animal referral facilities within an hour's drive, but we also have access to advanced mobile surgical services. The practice offers farm/house calls and convenient business hours, five and a half days a week, for scheduled surgeries and appointments. After hour emergencies are referred. Compensation includes competitive salary base on experience, CE expenses, liability coverage and licensing fees. New graduates and experience veterinarians are welcome to send a resume with cover letter to Dr. Trampus Isom at seguinvet@yahoo.com.</p>
