Position Available (Title, Dates, and Job Description):	<p>A full time position of veterinarian is available at Payton Animal Hospital located in Blakely, Georgia. There are currently two veterinarians (1 owner and 1 associate) on staff. This is a well-established and well equipped mixed practice (85% small animal and 15% large animal consisting of bovine, equine and small ruminants.) There is a flexible and shared on call schedule in order to serve the needs of our patients on evening and weekends. Associate must be enthusiastic, patient oriented, good communicator, and enjoy a small town atmosphere. Salary is negotiable based on experience. A full benefits package includes a paid two week vacation, personal leave, sick leave, bonus incentives, BE package, medical and liability insurance, retirement plan, and professional dues and license fees. This area of southwest Georgia also qualifies for the USDA student loan repayment program concerning the shortage of rural veterinarians. A potential partnership or buy in consideration. This rural area of Southwest Georgia abounds with wonderful hunting and fishing opportunities, is only 30 minutes from Dothan Alabama, and is only 2 hours from Panama City Beach, Florida.
