Position Available (Title, Dates, and Job Description):	<p>Bowdon Animal Hospital is a mixed animal practice, predominantly small animal, located in rural west Georgia seeking a full time veterinarian. Bowdon is located approximately 1 1/2 hours west of Atlanta. We are 12 miles from Carrollton, Georgia and the University of West Georgia. Birmingham, Alabama is approximately 2 hours west from our location. The clinic is strategically located close to I-20 for easy access to the big city. We are a state of the art facility with over 10,000 sq ft of hospital space. The clinic has digital xray, in house blood chemistry machines, dental radiographs, oxygen cages, state of the art surgical monitoring, sonogram, therapy laser, and surgical laser. The hospital serves a broad reach of client and services we provide include wellness, soft tissue surger, and orthopedic surger. Seeking a veterinarian with great communication skills and ability to get along with others. Working interview required. Compensation based on experience level. Resumes need to be submitted via email or sent to 145 City Hall Ave, Bowdon, GA 30108 www.bowdonanimalhospital.net</p> <p>Commitment to high quality pet healthcare and willingness to uphold the Practice medical standards. Practice highest quality medicine and surgery. Doctors see a diverse caseload including: preventative care, internal medicine, general medicine, and surgery. Perform procedures and treatment requiring a licensed DVM or equivalent. Familiarity with Intravet software for case-record documentation and client education purposes is a plus but not required. Attend and participate in team meetings. Properly educate and communicate with clients. Communicate effectively with Team members. Participate in improving the business performance of the Hospital. Maintain the highest quality service possible in our industry.</p> <p>NOTES: Additional Salary Information: Salary based on experience level.
