Position Available (Title, Dates, and Job Description):	<p>Associate Veterinarian near downtown Dallas, starting ASAP Associate Veterinarian sought for small animal practice in trendy Trinity Groves/Bishop Arts area of Oak Cliff in Dallas, Texas 75208 - just west of downtown. Private practice is fast paced with a moderate amount of walk-ins and emergencies. Highly-skilled support staff, so your job is to be the veterinarian, not the technician. ABVP ownership helps set the bar for the highest caliber of medicine. Ultimate goal is to increase hours over the weekend. Ideal candidate desires non-traditional schedule (Wed, Thurs, Fri, Sat, Sun). No overnight shifts. Salary package includes health insurance, retirement, CE/license allowance, etc. Excellent mentoring for new graduates Flexible hours available - email drlavender@gmail.com for details. Ideal candidate would work Wed-Sun schedule with shorter shifts on Sat (8-2) and Sunday (12-5). Flexibility for time off or rotating weekends as well. Special interest in ultrasound and/or exotics would be a plus – but not a requirement. Job requirements include: Must be or (willing to get) USDA approved to do international health certificates; DVM or equivalent. The position is either part-time or full-time and specializes in small animal medicine. The salary is competitive and varies with experience.
