Position Available (Title, Dates, and Job Description):	<p>Seeking a full-time associate veterinarian interested in advancing their skills in diagnostics, surgery, and patient care in a well-established small animal practice. We are located in the heart of the Triad between Winston-Salem and Greensboro. We invite you to join our four other veterinarians in providing quality compassionate care. We strive to treat our clients as we would our families, and their pets as we would our own. We are a well equipped hospital with digital x-ray, in house diagnostics, ultrasound, dental unit, endoscope, tonopen and videoscope. Position offers a very competitive salary, health insurance, paid CE, license, dues, liability insurance, no after hour emergencies or holiday work, and paid vacation/sick days. We look forward to hearing from you!</p>
