Position Available (Title, Dates, and Job Description):	<p>Southwood Drive Animal Clinic Seeks Associate Veterinarian We are a progressive companion animal practice committed to providing the highest quality of veterinary care and service to our clients and their pets. Our well-established hospital has 3 veterinarians and an excellent team! Our DVMs leverage and utilize our support staff to the fullest, which allows our doctors to practice medicine and surgery, while our technicians carry out doctor's orders. Our veterinarians believe strongly in staying current and offering the best medicine. We have a great environment for mentoring and supporting your special interests in medicine and surgery. We encourage sharing clinical knowledge with staff members so they can be better caregivers. We serve outstanding clientele, and have an excellent support staff. We are devoted to the idea that every patient deserves to be treated as an individual and every client deserves the utmost courtesy, respect, and personal attention.</p> <p>We offer many services to our clients and patients including in-house laboratory, digital radiography, Oncura ultrasound, video endoscopy, soft tissue and orthopedic surgeries, dentistry, and boarding.</p> <p>We are looking for a veterinarian with excellent communication skills. The ideal candidate will be interested in working in a collaborative environment with an eagerness to learn. Mentors are available to help you grow! Salary \$80,000+ (negotiable), signing bonus, medical insurance allowance, dues and licenses paid, SEP, CE allowance, paid vacation, and access to VIN.</p> <p>We live in a growing retail and medical community that is a prime location for outdoor activities with numerous lakes, rivers, and national forests nearby. Opportunities to enjoy the arts are also abundant at the Angelina College Temple Theater and historic Pines Theater. The area boasts quality education that is available in the many surrounding school districts.</p> <p>Contact: Tammy Carlton, Southwood Drive Animal Clinic, P.O.
