| Position Available (Title, Dates, and Job Description): | <p>Murray Animal Hospital and Pet Hotel, Inc., Murray, Kentucky, is looking for a full-time Small Animal Veterinarian for our busy practice in Western Kentucky. We have been voted "Favorite Veterinary Practice" in our community 12 years in a row. We are located in a college town that received the "Friendliest Small Town in America" award in 2015. In addition, we are in the area of Kentucky known as Land Between the Lakes, which offers great fishing and outdoor activities. Our practice has an outstanding clientele, a dedicated customer-oriented support staff, and licensed Veterinary Technologists. We have a well-equipped hospital with digital radiography, a companion therapy laser, a video otoscope, a full in-house laboratory and pharmacy, a surgery suite, and dental equipment. We offer a competitive base salary with compensation after the first six months. Compensation includes: continuing education, professional membership dues, 401K, vacation and sick pay, and a stipend for medical insurance. If you are a team player, and want to join a progressive practice, this is the only veterinary position you will need to look for.</p> <p>Please send your resume' to <a href="mailto:Bobbieanncan@yahoo.com">Bobbieanncan@yahoo.com</a> or give us a call at Murray Animal Hospital 270-753-2088.</p> |
