Position Available (Title, Dates, and Job Description):	<p>Full time associate veterinarian needed for busy small animal practice in Murray, Kentucky. Our mission at Veterinary Medical Center is to provide quality care in a friendly and compassionate environment. We strive to create and maintain close relationships with our clients, their families, and their pets. We are looking for a warm and outgoing new team member. Excellent medical and surgical skills are of course important, but we also put a high priority on people skills: compassion, communication, and cooperation. Our practice sees primarily canine and feline patients, with an occasional pocket pet. New graduates and experienced veterinarians are both welcome to apply.</p> <p>We are open Monday-Friday from 8-5 and on Saturday from 8-12. We strive to create a balance between work and family, so that we all have time to enjoy life and avoid burnout. Associate will have 4 1/2 day work week and emergency call on rotating basis. We offer competitive salary, health, retirement, vacation and other benefits. Success is many things to many people. We are looking for an associate veterinarian who can do their "job" well, but who will also be able to "live their life" well.</p> <p>About Veterinary Medical Center, LLC</p> <p>Veterinary Medical Center is a busy, small animal hospital established in Murray, Kentucky in 1991 by Jeannine Buchanan DVM. We provide quality medical, surgical, and dental services, and strive to create a warm, friendly atmosphere. In the past three decades, we have enjoyed caring for our clients' pets, their children's pets, and even their grandchildren's pets. Of the ten staff members we currently employ, some have been with us since the practice opened. It has been a pleasure for them to be a part of these family's lives through the generations. VMC also continually employs students enrolled in the Murray State University pre-veterinary and animal health technology programs. Murray is a fast growing town in rural western Kentucky. We are about two hours northwest of Nashville, four hours south of St Louis, and three and a half hours southwest of Louisville. We are located just minutes from beautiful Kentucky Lake and Land Between the Lakes National Recreation Area with lots of fishing, boating, hunting, camping, and hiking opportunities. Murray is a wholesome town with top-rated schools, perfect for raising a family.</p> <p>Send resume to: Veterinary Medical Center 212 South 12th Street Murray, KY 42071 jeanninecauthen@gmail.com</p>
