| Position Available (Title, Dates, and Job Description): | <p>Busy 2 hospital practice in Myrtle Beach looking for associates. We are a small animal practice seeing 90% companion animal and 10% exotics. Our 2 locations offer a chance to practice high quality medicine while living in a fun beach town. Our practices are paperless, we offer digital X-ray, in house ultrasound, tonometry, in house blood machines. We routinely perform orthopedic surgery, advanced abdominal surgery, and treatment of chronic medical diseases. We are looking for a motivated individual able to help our practices grow. Workday would be M-F and every other weekend. Email: todder80@yahoo.com</p> |
