State / Province / Region	PA
Postal / Zip Code	18705
Country	United States
Position Available (Title, Dates, and Job Description):	<p><b>Emergency Veterinarian</b></p> <p>The Northeast Veterinary Referral Hospital is seeking an emergency veterinarian who is committed to our mission of providing the most advanced veterinary care for our patients while exemplifying integrity, compassion and responsibility to our clients and the world!</p> <p>As an AAHA Accredited growing referral and emergency practice open 24/7/365, we reside in an area that offers many large city amenities, but in a small town atmosphere. Situated in northeast Pennsylvania, the Wilkes-Barre/Scranton area is served by a convenient, international airport, and Philadelphia and New York City are both two hours away by car. The Pocono Mountains provide the backdrop for skiing and limitless outdoor activities. Our area is home to the Pittsburgh Penguins' farm team and the NY Yankees' minor league team. We have two major concert venues. The educational needs of the area are met by a dozen colleges and universities. Opportunities for shopping, fine dining and participation in cultural activities abound.</p> <p>Internal medicine, surgery, critical care and cardiology comprise our specialty services. Our emergency service consists of 7 energetic emergency associates and a VECCS Criticalist who work together cohesively to provide 24 hour service with a very high standard of care. We offer physical rehabilitation and acupuncture and are looking to add ophthalmology and dermatology. We are expecting to add oncology.</p> <p>Our diagnostic lab is fully stocked with 3 Idexx catalyst machines, Procyte CBC machine, Coagulation testing (PT/PTT), Urinalysis and Snap test reader. Additionally, we are equipped with a IDEXX SediVue Dx. In our radiology suite, we have digital radiographs and a Philips HDX11 ultrasound machine that provides optimal imaging quality and has color flow and tissue Doppler capabilities. We have digital endoscopy and in our OR we have laparoscopic equipment as well.</p> <p>We offer a generous benefits package including excellent compensation, production bonus or percentage, health/dental/vision insurance, retirement savings plan, vacation, CE allowances and the potential for future buy-in. We would enjoy hearing from those with the capacity and drive to help us rank among the best! Please direct inquiries to Donald Roskos, Administrator at (570)208-8844.
