Street Address	10445 Clemson Blvd
City	seneca
State / Province / Region	South Carolina
Postal / Zip Code	29678
Country	United States
Position Available (Title, Dates, and Job Description):	<p>Dear Doctor,</p> <p>We are looking for an associate for our busy 3 doctor practice located in Seneca South Carolina. We are right next door to Clemson University, 1 hour from Greenville, 1.5 hours to Atlanta. New graduates are welcome! Our clients are like family to us and we want a doctor who will pitch in and be a part of our team and make everyone feel welcome and cared for. We strive for medical excellence as well as compassionate care. We have digital x-ray, ultrasound, in-house diagnostics, a non-profit shelter, grooming, and boarding at our location. Our doctors take emergencies at their own discretion or refer to the local emergency clinic. We are committed to make a difference in our community. Pay includes salary plus percentage of production with no minimum requirements, insurance allowance, and vacation. We try to keep pressure to a minimum so our doctors can concentrate on medical issues. We are located in a quiet community but close to several large cities, lots of outdoor opportunities. Lakes, hiking trails, kayaking, great fishing, and a 5 hour drive to the beach makes this an ideal location.</p> <p>Along with the low cost of living this is a wonderful area to live. The following is an internet review that sums up what we are:</p> <p>Brought in my mamma dog Snuggles and her baby boy for shots and checkup and everyone was super friendly and great helping wrangle my big babies for their first time out of the house. Amazing that they were able to be gentle while getting a nervous 70lb Lab who had never been away from home through her checkup. I think my babies are going to love going back now that they know there are such loving people there. Highly recommend trusting them to take good care of your furbabies. If this describes something you want to be a part of, please give us a call or email, we would love to talk with you about becoming a part of our family and helping with all the client's pets that come in seeking our care.</p> <p>Sincerely, Bonnie Chait Manager Foxnest Veterinary Hospital 864-882-4488 arf@nctv.com</p>
