## **Associate Wanted**

Full time associate veterinarian needed to join our progressive, multi-doctor small animal hospital in Tupelo, MS. Fully-equipped hospital with Cornerstone computerized medical record keeping with integrated Idexx in-house laboratory analyzers and computer radiography with telemedicine, Cardell blood pressure monitor, pulse oximetry, electrocautery, IV fluid pumps, tonopen, and a Midmark dental unit. We also have a large boarding facility with capacity for 95 boarders as well as an extensive day boarding program. We place a strong emphasis on preventive care, offering our clients Petly Preventive Care Plans. Most surgical procedures can be performed here with a strong emphasis on pain management while striving to practice the highest quality medicine possible. A well trained support staff of fifteen or more employees is in place including a full time Certified Veterinary Technician, and experienced veterinary assistants. After hours emergencies are handled by a neighboring veterinary hospital with the exception of a rotating emergency on call holiday schedule among several doctors at four other local veterinary hospitals. Experience preferred but not required. Compensation will be commensurate with experience and includes a full benefits package to include health insurance, professional liability insurance, continuing education, AVMA and MVMA association dues, and paid vacation. Resumes may be submitted to Tupelo Small Animal Hospital, P.A. at 2096 South Thomas, Tupelo, MS 38801 or e-mail to [skkingdvm@gmail.com](mailto:skkingdvm@gmail.com)
